## MEET TRAINING REQUIREMENTS

Meals for All offers In-Service training kits. Buy for one year or stock up. **Meals for All** customers can take advantage of our \$25 In-Service kits to ensure compliance with CMS annual training requirements for emergency preparedness.

Best practice, as outlined in your **Meals for All - Emergency & Disaster Management Policy & Procedure Manual**, is at least once a year to conduct an in-service session on disaster plans and procedures. A walk-through demonstration of emergency procedures is highly recommended.
